**Sydney, Australia 21 May 2018** - The MICE trade event dedicated to outbound product, Get Global, made the exciting announcement today that Pitching / Presentation Skills Speaker/Trainer and Professional MC, Andrew Klein will speak at the newly introduced Inspirational Corner, at the one day event.

Klein, who is renowned globally for his entertaining and extremely thought-provoking presentations and Conference MC work, will use his time at Get Global to assist attendees in developing their speaking and pitching skills.

“We all need to be able to deliver an effective presentation, brief or pitch. Whether it’s to a single person or a whole conference room. Andrew has the unique ability to deliver an educational, interactive presentation which will really stimulate, teach, amuse, provoke and motivate you to improve your own performance. We are thrilled to welcome him to Get Global 2018,” enthused Gary Bender, Get Global Co-founder.

As a former litigation lawyer, Andrew’s experience and ability to engross his audience and deliver useful and practical tips to assist the whole room in becoming more effective communicators, along with his warmth, charm and talent, make his session at Get Global unmissable.

“Like most of us, I spend most of my day talking, negotiating and pitching. Whether that’s one-on-one, on the phone or to a large sceptical audience – so, I will definitely be taking the time to see Andrew’s talk! We could all use a little help in trying to communicate our message better and engage our audience to deliver the outcome we need,” said Co-founder, Donna Kessler.

Andrew’s unique style and creativity makes a huge impact on all that hear him – a must-see presentation at Get Global in July. [Buyers can register here](#)

### ***ABOUT GET GLOBAL***

Get Global is a joint venture between two passionate industry professionals who have seen a gap in the market for an outbound industry tradeshow. Our mission is to provide an innovative and efficient business platform for international suppliers to connect with corporate meeting planners, incentive houses, PCO's, travel companies and anyone else that has international group business from Australia.

Get Global, launched in 2017, was hailed a huge success by exhibitors and buyers alike. This innovative format for doing business is an intensive one day exhibition with 100% international product and is NOT your typical tradeshow. After the success of the inaugural event, Get Global is back in 2018 with more exhibitors (Go Getters), more buyers and more countries represented.
